

# Supporting the Effective Transitions of Students with Disability

**Who should attend this free workshop?** Any secondary Teachers, VET and Student Pathways Coordinators across Catholic Education, Association of Independent Schools and Department of Education & Child Development.

The session will provide:

- Information about the Disability Transition Program managed by Barkuma Inc
- An update on the Disability Employment Services program and providers
- Information on budgeting and strategic planning for the transition needs of SWD
- Suggestions for how to gain SACE credit for transition programs
- Launch of Transition Planning Resources
- Updates on a range of transition planning resources
- Networking
- A chance to hear from teachers, school leaders and past students – A real perspective!

---
