

School-based Apprenticeships & Traineeships Workshop

Session details:

Date:	Thursday 15 March 2018
Time:	8.45 am to 12.00
Venue:	Room 7, CESA Conference Centre, 116 George Street Thebarton
Catering:	Coffee, tea, water and morning tea provided
Access to CEO	Substantial roadworks are currently impacting access to the CEO offices and Conference Centre
& Car parking:	will continue to do so until June 2018. People will need to allow extra travel time due to George Street being closed to traffic from the west, speed restrictions and most likely increased congestion for vehicles approaching from the east. It is important that we all plan accordingly and prioritise our own safety and that of others on and around the roads while these challenges are present. Also, please note that Filsell Street and Neville Road are closed at the George Street end.
