amacrae@autismspectrum.org.au
Workshop objectives

EVIDENCE INFORMED
knowledge of autism and how it directly impacts on a young person's learning and participation.

EFFECTIVE STRATEGIES
to help maximise a young person's learning in the school and home environments.

UNDERSTANDING OF YOUNG PEOPLE
on the autism spectrum and their families' experiences at home and school.

First things to do:

Email Alison, amacrae@autismspectrum.org.au to register and receive information for the next steps.

☐ Send out the "How inclusive is my school" survey
☐ Complete the "An introduction to autism" module online
☐ Complete the "An introduction to the Planning Matrix" module online

At the workshop you will learn about:

- Family perspectives
- Autism, characteristics and impacts
- Sensory processing
- Understanding behaviour
- Understanding mental health and wellbeing
- Partnerships and working together
- Adjustments

You will also work with your school team to develop an action plan.

Planning your time

This timeline shows the steps to complete the program to gain the equivalent of 35 hours professional learning (PL).
