**Catholic Education
South Australia**

CEAV will be facilitating this series Developing a Whole School Approach to Career Development and Education for schools in the Catholic Education SA sector throughout 2020. It follows on from the Term 4 Career Development & Education workshop held on 3 December 2019. However, this is not a prerequisite for participation in this series. Some pre-reading may be required.

A more detailed program will be distributed soon. Registration is via the [CESA Registration Centre](#).

Webinar: Quality benchmarking your school's career service

Wednesday 11 March 2020

3.30 - 4.30 pm (Adelaide time)

Workshop: Career Development Strategic Planning

Wednesday 20 May 2020

9:00 am - 3:30 pm (registration from 8:45 am)

Room 6, Conference Centre, Catholic Education Office

The 1 hour webinar will assist your school to measure their processes and performance in career development services against the career industry best practice standards.

The intention of this webinar is to assist you to understand: how to use the CEAV benchmarking tool; the rationale for evaluating current practice before making changes; the practical steps in undertaking the audit and; how to analyse the results.

The webinar will be delivered by career specialists from the Australian Centre for Career Education (CEAV). The understandings from this webinar will also prepare staff attending the forthcoming *Career Development Strategic Planning* workshop on 20 May 2020. This full day workshop will assist participants to use the benchmarking data most effectively to draft a Career Development Strategy Plan for their school.

Registration via [CESA Registration Centre](#) is essential

*CEAV is the leading provider of career education services in Victoria.
CEAV delivers ethical and professional career education and career development training to individuals seeking a career as a professional careers practitioner.*
