Concurrent Sessions

The concurrent sessions are being presented by schools involved in the network projects who are asked to register two potential topics from the list below. Each presentation has been allocated 20 minutes and each school is asked to consider two to three guiding questions to prompt group discussion.

Concurrent sessions

1. STEM & career development
2. Whole school career development approaches
3. Community engagement including industry partnerships
4. Career development and education in the middle years
5. Career development and education in the senior years
6. Parental engagement
7. Embedding career development into learning areas
8. General Capabilities
9. Course counselling processes
