

School-based Apprenticeships & Traineeships Workshop

This workshop is designed for school staff responsible for counselling and administration of students in School-based Apprenticeships and Traineeships (SBATs).

The workshop will cover:

- an overview of the apprenticeship system
- regulatory processes
- training contracts and training plans
- role of key stakeholders
- liaison with Australian Apprenticeship Centres, RTOs and Employers.

Presenters include Andrew Shortman & Bill Davies, Regulation and Contract Management, DSD; Megan Rawley, Australian Apprenticeships Team State Network - South Australia, Australian Government Department of Education and Training; and Gary Simpson Ai Group Apprentice and Trainee Centre.

For those in regional areas, participation via CISCO video conference will be available.

Thursday 15 March 2018

9:00 am - 12.00*

**Note: this is the same day as the Workplace Learning Procedures workshop in the afternoon to make it a full day PD option. Coordinators are encouraged to register for both morning and afternoon sessions.*

Room 7, CESA Conference Centre
116 George Street
Thebarton 5031

Registration via CESA Registration Centre
