The Workplace Learning Procedures provides a framework to protect the health, safety and welfare of all workers (including work experience students). An important component is the risk assessment process designed, as far as reasonably practical, to minimise the potential hazards faced by students in the work place. Important changes to the risk assessment process will be a focus of this day, including supporting students with disabilities in work place learning programs.

Registration details:

Please register by Friday 17 March 2017
